Debatable Motions

Motion 1 by Mr. Kenny, seconded by Mr. Haché to propose the following resolution on Thursday, December 6, 2012:

WHEREAS the impending closure of the Xstrata Mine in Bathurst will result in the loss of hundreds of jobs, both directly and indirectly;

WHEREAS the northern economy has suffered numerous blows in recent years with the decline of various industries, and the Xstrata closure will only exacerbate this economic downturn;

WHEREAS the knowledge base, expertise and human resources in the region would provide an excellent training ground for those interested in learning mining skills;

WHEREAS mining companies around the world are looking for thousands of workers skilled in mining trades;

WHEREAS a mining trades program and a mining centre of excellence, and resulting research opportunities, would provide important economic opportunities for northern New Brunswick;

WHEREAS the training facility and centre of excellence would help both northern New Brunswick and mining all across Canada;

BE IT THEREFORE RESOLVED that the Legislature urge the provincial government to engage the mining industry and the federal government in a partnership to establish a Mining Centre of Excellence and training centre in Bathurst following the mine's shutdown.

Amendment moved by Hon. Mr. Soucy, seconded by Hon. Mr. P. Robichaud that Motion 1 be amended as follows:

In the resolution clause, by deleting all the words following "urge the provincial government to" with "continue engaging the mining industry, the Mining Industry Human Resource Council, and the Federal Government in a dialogue concerning the possibility of establishing a Mining Centre of Excellence and college-level training centre in conjunction with the Collège Communautaire du Nouveau-Brunswick – campus de Bathurst following the mine's shutdown."

[Debate interrupted due to expiration of time]

Motion 14 by Mr. Boudreau, seconded by Mr. Collins to propose the following resolution on Thursday, December 13, 2012:

WHEREAS the Alward government has not questioned the federal government on reductions to federal transfer payments to New Brunswick;

WHEREAS the Alward government has refused to take on the federal government for the \$1 billion in cost overruns caused by AECL, a federal crown corporation;

WHEREAS the Alward government has decided not to fight for the interests of New Brunswick by seeking compensation for the millions of dollars in additional costs the province will be burdened with in relation to the new federal omnibus crime bill;

WHEREAS the Alward government did not even seek adequate compensation from the federal government for the future upkeep and maintenance of the Harbour Bridge;

WHEREAS the Alward government has not voiced concern about federal job cuts in New Brunswick;

WHEREAS the Alward government has not spoken out against cuts by ACOA to the regional economic development agencies;

WHEREAS the Alward government was silent on cuts to the National Research Council in New Brunswick;

WHEREAS the Alward government has not stood up for New Brunswick in relation to the proposed EI eligibility changes which will have a devastating effect on our seasonal industries, our communities and our people;

WHEREAS the Alward government was not successful in convincing the federal government to keep Canadian Blood Services in New Brunswick;

WHEREAS the Alward government has been unable to persuade the federal government to partner with it on the twinning of Route 11;

WHEREAS the Alward government has not fought against cuts to rail service in New Brunswick;

BE IT THEREFORE RESOLVED that the Legislature urge the government and opposition to coordinate a strong position on behalf of the people of New Brunswick to stand up and speak out against the federal government on measures that have such negative economic and financial consequences for New Brunswick.

[Debate interrupted due to expiration of time]

Motion 15 by Mr. Fraser, seconded by Mr. Boudreau to propose the following resolution on Thursday, December 20, 2012:

WHEREAS the previous Liberal government undertook an unprecedented public engagement in 2009 with the business sector, the non-profit sector, and citizens living in poverty, and collaborated with the Leader of the Opposition in the development of a bipartisan poverty reduction plan;

WHEREAS the Premier, then the Leader of the Opposition, participated fully in the engagement process and the announcement of the poverty reduction plan;

WHEREAS the Premier, then the Leader of the Opposition, stated that he was “proud” to have participated in the process and committed his party to implementing the recommendations of the poverty reduction task force;

WHEREAS the Premier, then the Leader of the Opposition, stated in an opinion column published in various provincial newspapers in November 2009 that we have to do more;

WHEREAS, since forming the government, the Alward Conservatives have ignored or postponed several important agreed-upon deadlines for the implementation of poverty reduction initiatives;

BE IT THEREFORE RESOLVED that the Legislature urge the government to collaborate with the Opposition in the implementation of the poverty reduction plan, and

BE IT FURTHER RESOLVED that the Legislature ask the government to provide a schedule for full implementation of the poverty reduction plan.

Motion 21 by Mr. Kenny, seconded by Mr. Fraser to propose the following resolution on Thursday, December 20, 2012:

WHEREAS public transportation is a vital component to economic growth, particularly in rural areas of the province;

WHEREAS VIA Rail is eliminating its ticket agents and decreasing its routes in northern New Brunswick;

WHEREAS CN Rail has recently threatened to abandon its Newcastle line in northern New Brunswick;

WHEREAS these services connected communities and brought social and economic opportunities to New Brunswickers;

WHEREAS jurisdiction for inter-provincial transportation rests with the federal government;

BE IT THEREFORE RESOLVED that the Legislative Assembly urge the provincial government to demand the federal government invest in infrastructure and provide the necessary funding to ensure these public transportation opportunities continue to exist, for the socio-economic well-being of our province.

Motion 28 by Mr. D. Landry, seconded by Mr. Melanson to propose the following resolution on Thursday, April 4, 2013:

WHEREAS the federal government has replaced the employment insurance boards of referees with the Social Security Tribunal;

WHEREAS employment insurance claimants who wish to appeal employment insurance rulings must appeal to this tribunal;

WHEREAS there were 300 employment insurance boards of referees members across the country, 15 of whom were in New Brunswick and were local residents with knowledge of local labour and business;

WHEREAS there are only 74 Social Security Tribunal members, who are not necessarily located in New Brunswick and only half of whom will deal with employment insurance appeals;

WHEREAS these changes will significantly disadvantage workers and limit their opportunities for access to appeal;

WHEREAS additional paperwork and red tape required by the Social Security Tribunal will make it more burdensome for workers to make an appeal;

BE IT THEREFORE RESOLVED that the Legislative Assembly urge the provincial government to ask the federal government to reinstate the employment insurance boards of referees.

Motion 32 by Mr. Arseneault, seconded by Mr. Boudreau to propose the following resolution on Thursday, April 11, 2013:

WHEREAS the Progressive Conservative party promised to encourage an open dialogue with health care professionals in New Brunswick;

AND WHEREAS the Progressive Conservative Party promised to listen and act on the ideas of these professionals to improve the province's health care system;

AND WHEREAS the Progressive Conservative party promised to ensure every New Brunswicker has access to a family doctor;

AND WHEREAS there are still more than 14,000 New Brunswickers without access to a family doctor, and many more New Brunswickers who do not have same day or next day access to their family doctors;

AND WHEREAS the Alward government has recently announced it is cutting back on physician recruitment and incentive programs;

AND WHEREAS the elimination of these recruitment and incentive programs will severely restrict the government's ability to recruit new physicians and other health care professionals;

BE IT THEREFORE RESOLVED that the Legislative Assembly call on the government of New Brunswick to commit to the continuation of all physician recruitment, retention and incentive programs that were in effect prior to the delivery of the 2013-2014 budget, and the enhancement of these programs.
