Motion 1 by Mr. Kenny, seconded by Mr. Haché to propose the following resolution on Thursday, December 6, 2012:

WHEREAS the impending closure of the Xstrata Mine in Bathurst will result in the loss of hundreds of jobs, both directly and indirectly;

WHEREAS the northern economy has suffered numerous blows in recent years with the decline of various industries, and the Xstrata closure will only exacerbate this economic downturn;

WHEREAS the knowledge base, expertise and human resources in the region would provide an excellent training ground for those interested in learning mining skills;

WHEREAS mining companies around the world are looking for thousands of workers skilled in mining trades;

WHEREAS a mining trades program and a mining centre of excellence, and resulting research opportunities, would provide important economic opportunities for northern New Brunswick;

WHEREAS the training facility and centre of excellence would help both northern New Brunswick and mining all across Canada;

BE IT THEREFORE RESOLVED that the Legislature urge the provincial government to engage the mining industry and the federal government in a partnership to establish a Mining Centre of Excellence and training centre in Bathurst following the mine's shutdown.

Amendment moved by Hon. Mr. Soucy, seconded by Hon. Mr. P. Robichaud that Motion 1 be amended as follows:

In the resolution clause, by deleting all the words following "urge the provincial government to" with "continue engaging the mining industry, the Mining Industry Human Resource Council, and the Federal Government in a dialogue concerning the possibility of establishing a Mining Centre of Excellence and college-level training centre in conjunction with the Collège Communautaire du Nouveau-Brunswick – campus de Bathurst following the mine's shutdown."

WHEREAS the Alward government has refused to take on the federal government for the \$1 billion in cost overruns caused by AECL, a federal crown corporation;

WHEREAS the Alward government has decided not to fight for the interests of New Brunswick by seeking compensation for the millions of dollars in additional costs the province will be burdened with in relation to the new federal omnibus crime bill;

WHEREAS the Alward government did not even seek adequate compensation from the federal government for the future upkeep and maintenance of the Harbour Bridge;

WHEREAS the Alward government has not voiced concern about federal job cuts in New Brunswick;

WHEREAS the Alward government has not spoken out against cuts by ACOA to the regional economic development agencies;

WHEREAS the Alward government was silent on cuts to the National Research Council in New Brunswick;

[Debate interrupted due to expiration of time]

Motion 15 by Mr. Fraser, seconded by Mr. Boudreau to propose the following resolution on Thursday, December 20, 2012:

WHEREAS the previous Liberal government undertook an unprecedented public engagement in 2009 with the business sector, the non-profit sector, and citizens living in poverty, and collaborated with the Leader of the Opposition in the development of a bipartisan poverty reduction plan;

WHEREAS the Premier, then the Leader of the Opposition, participated fully in the engagement process and the announcement of the poverty reduction plan;

WHEREAS, since forming the government, the Alward Conservatives have ignored or postponed several important agreed-upon deadlines for the implementation of poverty reduction initiatives;

WHEREAS there are only 74 Social Security Tribunal members, who are not necessarily located in New Brunswick and only half of whom will deal with employment insurance appeals;

GOVERNMENT MOTIONS

Motion 42 by Hon. Mr. Williams, seconded by Hon. Mr. Flemming to propose the following resolution on Wednesday, April 17, 2013:

WHEREAS the former Liberal government granted seventy million dollars of financial assistance to the Atcon group of companies in 2008 and 2009;

WHEREAS immediately prior to approving fifty million dollars in assistance in March of 2009, Business New Brunswick had flagged that Atcon was showing signs of insolvency;

WHEREAS immediately prior to the former Liberal government approving fifty million dollars in assistance in March of 2009, Business New Brunswick had recommended that further assistance not be given to Atcon and assessed the risk as "high";

WHEREAS immediately prior to the former Liberal government approving fifty million dollars in assistance in March of 2009, New Brunswick Industrial Development Board, a body composed of senior civil servants, concurred with the recommendation against providing further financial assistance to the Atcon group of companies;

WHEREAS despite the clear signs that Atcon was in serious financial difficulty and against the recommendations of government officials, the then Minister of Business New Brunswick offered fifty million dollars in further assistance on March 27, 2009;

WHEREAS Atcon is now insolvent and out of business;

WHEREAS the vast majority of the funds advanced by the Government of New Brunswick have not been recovered and represent a loss to the taxpayers of New Brunswick;

WHEREAS the Conflict of Interest Commissioner has recommended that this House consider requesting the Auditor General to conduct an audit of the financial assistance given by the Province of New Brunswick to Robert Tozer and his Atcon group of companies;

BE IT THEREFORE RESOLVED that this Assembly request the Auditor General of New Brunswick to conduct an audit of all the financial assistance given by the Province of New Brunswick to Robert Tozer and the Atcon group of companies, including recommendations on how to improve the performance of the Department of Economic Development, formerly known as Business New Brunswick.

BE IT FURTHER RESOLVED that this Assembly recommend that all the evidence and information in the Conflict of Interest Commissioner's inquiry into allegations by Mr. Claude Williams, MLA for Kent South of violations of the *Members' Conflict of Interest Act* with respect to the above matter, be preserved and made available to the Auditor General of New Brunswick to assist her in the audit and recommendations.

Motion 53 by Hon. Mr. Soucy, seconded by Hon. Mr. P. Robichaud to propose the following resolution on Thursday, May 9, 2013:

WHEREAS Atlantic Premiers announced earlier this week, through the Atlantic Workforce Partnership (AWP), that they will harmonize apprenticeship programs across the region and deliver online training to small-and medium-sized businesses, which will make the region a national leader in the delivery of critical skills training; and,

WHEREAS the progress of the AWP is further evidence of the responsiveness of Atlantic provinces to their labour market needs and job training, an area of provincial responsibility; and

WHEREAS Atlantic Canadian governments will need to consider if the program meets the needs of the provincial economies and labour markets, and whether provinces will participate in the program or opt out with full compensation as in other areas of provincial jurisdiction; and

WHEREAS there are widespread concerns among small-and medium-sized businesses regarding the announced Canada Jobs Grant, in particular the proposal to redirect \$300 million of the \$500 million allocation from provincial programming supported by the Labour Market Agreements to the Canada Jobs Grant, thereby reducing the range of programming for skills and labour market development presently delivered by provinces;

THEREFORE BE IT RESOLVED that the recent unilateral decisions of the federal government regarding skills, training and employment supports, including changes to labour market agreements and the proposed Canada Jobs Grant, raise considerable concerns for the future economic growth and prosperity of Atlantic Canada.
