Motion 2 by Mr. Steeves, seconded by Ms. Wilson to propose the following resolution on Thursday, December 11, 2014:

WHEREAS the President of the Riverview Liberal Association sent an email on November 10, 2014, advising that government road contracts would be made available to supporters of the government, and that the Executive Assistant to the Minister of Social Development had enquired with respect to Liberal companies and individuals to be awarded road work contracts;

WHEREAS the Minister of Health, on November 21, 2014, terminated the employment of the President and Chief Executive Officer of the Vitalité Health Network;

WHEREAS the Board of Directors of Vitalité Health Network issued a statement on November 25, 2014, to indicate that it did not question the qualifications of the former President and Chief Executive Officer, that to the best of its knowledge, the former President and Chief Executive Officer met all the requirements of his mandate, that it was not consulted prior to the termination, and that if it had been consulted, it would have

indicated that there were no reasons for the dismissal of the former President and Chief Executive Officer;

AND WHEREAS these instances fall short of the government's commitment to do things differently;

BE IT THEREFORE RESOLVED that the Legislative Assembly condemn the government for its failure to live up to its commitment to increase transparency and accountability in government.

Motion 9 by Mr. Stewart, seconded by Mr. Alward to propose the following resolution on Thursday, December 18, 2014:

WHEREAS the Energy East crude oil pipeline project will enable access to substantially more Canadian crude oil in Atlantic Canada, ensuring security of supply;

WHEREAS the City of Saint John has an ice-free deep water port facility, capable and experienced in managing the World's largest crude carrying vessels;

WHEREAS the construction of the Energy East crude oil pipeline project is in the national interest, as the ability to export crude from the east coast means that western Canadian producers will become less reliant on US markets, giving our producers access to global markets;

WHEREAS New Brunswick is the location of Canada's largest oil refinery;

WHEREAS New Brunswick has recent experience in working effectively with regulators and communities on energy pipeline projects;

WHEREAS the Energy East crude oil pipeline project will result in significant direct and indirect employment opportunities, both during the construction phase and in the long term, providing ongoing economic benefits for the whole province, our region, and the entire country;

WHEREAS Canadian crude oil supplied by pipeline to our refinery would decrease production costs and make the refined petroleum more competitive;

WHEREAS TransCanada Corporation has filed a formal project application for the Energy East crude oil pipeline project with the National Energy Board of Canada;

WHEREAS the Provinces of Ontario and Quebec should not create unnecessary barriers to the Energy East crude oil pipeline project by imposing additional processes and conditions that are not within their constitutional authority;

BE IT THEREFORE RESOLVED that the Legislative Assembly of New Brunswick re-affirms its unanimous support for the construction of the Energy East crude oil pipeline project to bring western crude oil to Saint John;

BE IT FURTHER RESOLVED that the Legislative Assembly of New Brunswick calls on Ontario and Quebec to recognize the National Energy Board as the appropriate body to review the Energy East crude oil pipeline project.

[Debate interrupted due to expiration of time.]
