Motion 20 by Mr. B. Macdonald, seconded by Mr. Urquhart to propose the following resolution on Thursday, February 26, 2015:

WHEREAS fire, police, ambulance services, and other traditional first responders provide essential emergency services to our province, and their members often do so at great personal risk;

WHEREAS members of the Canadian Armed Forces often respond to crisis, both in Canada and overseas, and put themselves selflessly in harm's way;

WHEREAS many agencies of government, including Public Safety, Natural Resources, Social Development, the Canadian Coast Guard, and the Emergency Measures Organization provide help to our province in times of crisis;

WHEREAS search and rescue, amateur radio operators, lifeguards, and the Life Saving Society, Canadian Ski Patrol, St. John Ambulance, Red Cross, and other groups provide essential services in times of crisis;

WHEREAS soup kitchens, food banks, sexual assault crisis centres, helplines, transition houses, emergency shelters, and many other volunteer organizations provide important front-line services to those in desperate need;

WHEREAS hospitals, clinics, doctors, nurses, and many other health care professionals provide emergency medical care;

WHEREAS many faith-based groups often provide crucial support to individuals in times of personal crisis; and

WHEREAS these members, family, and friends of our first-responder and other emergency services deserve a day to celebrate their successes and to be acknowledged for their service to our community;

BE IT THEREFORE RESOLVED THAT the Saturday immediately preceding Police and Peace Officers' National Memorial Day be officially designated Emergency Services Day in New Brunswick.

Motion 21 by Mr. Coon, seconded by Mr. Bernard LeBlanc to propose the following resolution on Thursday, March 12, 2015:

WHEREAS all members of the Legislative Assembly are elected representatives of the people of New Brunswick;

AND WHEREAS it is important that the role and responsibilities of MLAs be well understood by the public;

AND WHEREAS it would be helpful for Members of the Legislative Assembly to have guidelines to aid them in the conduct of their duties;

AND WHEREAS the effectiveness of MLAs, and their accountability to the people of New Brunswick, may be improved if the Legislative Assembly establishes a formal statement of the key roles and responsibilities of MLAs;

AND WHEREAS the Legislative Administration Committee recommended the adoption of a statement on the Roles and Responsibilities of an MLA and a Code of Conduct for MLAs in its report to the Legislative Assembly tabled April 3, 2003;

THEREFORE BE IT RESOLVED that the Standing Rules of the Legislative Assembly be amended by adding after Standing Rule 123:

PART IX

124(1) The Legislative Assembly shall establish a Statement on the Roles and Responsibilities of Members and a Code of Conduct, hereinafter collectively referred to as the "Code".

124(2) The Code shall be printed in the Appendices of the Standing Rules of the Legislative Assembly and in the Legislative Assembly of New Brunswick Members' Orientation Manual.

Motion 27 by Mr. Northrup, seconded by Ms. Dubé to propose the following resolution on Thursday, March 26, 2015:

WHEREAS New Brunswickers enjoy outdoor activities such as skiing and snowboarding to stay active over the winter months;

WHEREAS skiing and snowboarding are activities that should be enjoyed safely;

WHEREAS head injuries are the leading cause of death among skiers and snowboarders of all ages;

WHEREAS helmet use reduces the risk that people who ski or snowboard will suffer a traumatic brain injury, and can save the lives of participants;

WHEREAS there have been numerous traumatic brain injuries attributed to people skiing or snowboarding without a helmet in New Brunswick;

WHEREAS members of the public have advocated for New Brunswick to make helmets mandatory for all people who ski or snowboard;

WHEREAS it is in the public interest to make mandatory the wearing of helmets when skiing or snowboarding;

BE IT THEREFORE RESOLVED that the Legislative Assembly urge the government to introduce legislation to make mandatory the wearing of helmets when skiing or snowboarding.

Amendment moved by Hon. Mr. Horsman, seconded by Hon. Mr. Arseneault that Motion 27 be amended as follows:

After the seventh “Whereas” clause, add:

“WHEREAS enacting helmet legislation requires hiring enforcement officers to patrol hills where skiing takes place, checking for helmet use and checking helmet standards and investigating reports of persons seen not wearing helmets while skiing, leading to prosecutions and fines for infractions committed by skiers and ski hills operators;

WHEREAS operators of ski hills may now establish policies to make mandatory the wearing of helmets when skiing or snowboarding on their ski slopes as a condition for use of their ski slopes;”

And, delete the resolution clause and replace it with:

“BE IT THEREFORE RESOLVED that the Legislative Assembly urge the government to encourage ski hill operators to make mandatory the wearing of helmets when skiing or snowboarding as a condition for use of their ski slopes.”

[Debate interrupted due to expiration of time.]

Motion 30 by Mr. Coon, seconded by Mr. Jody Carr to propose the following resolution on Thursday, April 2, 2015:

WHEREAS ensuring the rights and interests of children and youth are protected in our Province is a high priority for all New Brunswickers;

WHEREAS the Office of the Child and Youth Advocate is responsible for ensuring that the rights of children and youth are protected and that the views of children and youth are heard pursuant to section 2 of the *Child and Youth Advocate Act*;

WHEREAS the Child and Youth Advocate currently does not report to a Legislative Committee to ensure his reports and recommendations are acted upon;

BE IT THEREFORE RESOLVED that the Legislative Assembly recommend that a Standing Committee on Children and Youth be appointed to which the Child and Youth Advocate would report;

BE IT FURTHER RESOLVED that the appointed committee would be tasked with the following:

- receive and review annual and special reports from the Child and Youth Advocate;
- meet with the Child and Youth Advocate at least twice a year; and,
- act in conjunction with the Child and Youth Advocate to ensure that the needs of children and youth in New Brunswick are being met.

Motion 31 by Mr. Holder, seconded by Mr. Jody Carr to propose the following resolution on Thursday, April 9, 2015:

WHEREAS investing in an educated, well-trained and skilled work force is an important component of a diversified economic development strategy;

WHEREAS the New Brunswick Tuition Rebate was introduced in 2005 as the New Brunswick Tuition Tax Cash Back program, and was expanded by the former Liberal government during its mandate;

WHEREAS the New Brunswick Tuition Rebate program helps recruit, retain and repatriate an educated, well-trained and skilled work force;

WHEREAS the government announced it will eliminate the New Brunswick Tuition Rebate program;

WHEREAS the elimination of the New Brunswick Tuition Rebate program will make it more difficult for New Brunswickers trying to build careers to make New Brunswick a more prosperous province;

WHEREAS the elimination of the New Brunswick Tuition Rebate program is shortsighted and should be reversed;

BE IT THEREFORE RESOLVED that the Legislative Assembly urge the government to reinstate the New Brunswick Tuition Rebate program.

[Debate interrupted due to expiration of time.]

Motion 32 by Mr. Steeves, seconded by Ms. Dubé to propose the following resolution on Thursday, April 16, 2015:

WHEREAS seniors helped build our province;

WHEREAS New Brunswick has an aging population and seniors are living longer due to the dramatic improvements in the detection and treatment of disease;

WHEREAS the marked increase in longevity of individuals does not necessarily mean that seniors maintain the same quality of life;

WHEREAS New Brunswick should support seniors living at home for as long as possible;

WHEREAS seniors need to be confident that they will have access to high quality long-term care when they are no longer able to live alone;

WHEREAS the United Nations' Principles for Older Persons identifies and divides the rights of seniors into five categories, namely independence, participation, care, self-fulfillment and dignity;

WHEREAS this government:

(a) has removed the limit on the cost of nursing home care, making it more expensive for seniors who need specialized care to live out their lives in dignity;

(b) will assess seniors' ability to pay for nursing home care based on their liquid assets, allowing the hard earned savings of seniors to be attacked again;

(c) is increasing premiums for the Seniors Prescription Drug Program, making the cost of living healthy lives even higher for seniors;

(d) is reinstating ambulance fees, forcing seniors to choose between life-saving care and paying their bills; and

(e) is increasing gas taxes, reducing the mobility of seniors and their quality of life;
 WHEREAS these actions implement or increase taxes and other indirect taxes and fees, and doing so is a very regressive way of getting new revenue from New Brunswickers and hurts our seniors;

BE IT THEREFORE RESOLVED that the Legislative Assembly condemn this government for its failure to protect, promote and defend the interests of seniors;

BE IT FURTHER RESOLVED that the Legislative Assembly urge the government to acknowledge its errors, reverse its course of action to erode the health, safety and security of our seniors, and commit to providing better support and assistance to our seniors.
