**Motion 6 by Mr. Stewart**, seconded by Ms. Lynch to propose the following resolution on Thursday, December 10, 2015:

WHEREAS New Brunswick is Canada's only officially bilingual province;

WHEREAS access to second language training is limited or non-existent in many communities across the province, which impedes mutual understanding and access to opportunities;

WHEREAS access to French immersion education programming is limited or non-existent in many schools across the province;

WHEREAS the government's ability to continue to provide a high quality of services to citizens in both official languages may be affected by a lack of investment in second language training and education;

**Motion 12 by Ms. Shephard**, seconded by Mr. Steeves to propose the following resolution on Thursday, February 11, 2016:

WHEREAS children deserve the opportunity to grow in a loving, supportive, and stable household;

WHEREAS the current framework for protecting children favors parental privileges over the mental and physical safety of the child;

WHEREAS legislation approved by this Assembly five years ago would have the effect of helping to correct this imbalance with new kinship provisions, but has not been fully proclaimed into law;

WHEREAS there are also other measures that could be undertaken which would put the needs of children first, while supporting the decision-making authority of our dedicated social workers;

BE IT RESOLVED THAT this Assembly urges the current government to proclaim into law all sections of *An Act to Amend the Family Services Act* of March 2010.

BE IT FURTHER RESOLVED THAT the Assembly urge the government to review the framework for child protection in order to ensure the needs of children are placed in priority over parental privileges.

*[Debate interrupted due to expiration of time.]*

**Motion 14 by Mr. Jeff Carr**, seconded by Mr. Northrup to propose the following resolution on Thursday, February 11, 2016:

WHEREAS the government has repeatedly said their priority was job creation, stimulating the economy and making New Brunswick a better place to raise a family, and has failed on all three points;

WHEREAS the government promised not to raise fees or taxes for small business in their 2014 election platform;

WHEREAS changes to New Brunswick Regulation 2015-62 under the *Harmonized Sales Tax Act* caused appraisers and New Brunswick small businesses to lose income;

WHEREAS the government has provided no evidence to prove that these changes are necessary or that they will improve services for New Brunswickers;

WHEREAS the red book value of cars does not take into consideration the harsh weather and road conditions of New Brunswick, nor if the vehicle was involved in a collision or accident in placing a dollar value on vehicles;

BE IT THEREFOR RESOLVED THAT the Assembly urge the government to reverse the changes to New Brunswick Regulation 2015-62, and allow New Brunswick's qualified appraisers and car dealerships to get back to work.

**Motion 15 by Mr. Coon**, seconded by Mr. Bertrand LeBlanc to propose the following resolution on Thursday, February 11, 2016:

WHEREAS all Members of the Legislative Assembly are elected representatives of the people of New Brunswick;

WHEREAS it is important that the role and responsibilities of MLAs be well understood by the public;

WHEREAS it would be helpful for Members of the Legislative Assembly to have guidelines to aid them in the conduct of their duties;

WHEREAS the effectiveness of MLAs, and their accountability to the people of New Brunswick, may be improved if the Legislative Assembly establishes a formal statement of the key roles and responsibilities of MLAs;

WHEREAS the Legislative Administration Committee recommended the adoption of a statement on the Roles and Responsibilities of an MLA and a Code of Conduct for MLAs in its report to the Legislative Assembly tabled April 3, 2003;

BE IT THEREFORE RESOLVED that the Standing Committee on Procedure, Privileges and Legislative Officers take into consideration the adoption of a statement on the Roles and Responsibilities of an MLA and a Code of Conduct for MLAs.

**Motion 16 by Mr. Fitch**, seconded by Mr. Stewart to propose the following resolution on Thursday, February 18, 2016:

WHEREAS New Brunswick is going through a period of economic uncertainty, low wage growth, and high unemployment;

WHEREAS a number of important projects relating to natural resource development have been stalled, delayed, or cancelled over the last 16 months;

WHEREAS it is essential to send a clear message that New Brunswick supports safe and sustainable natural resource projects;

BE IT RESOLVED THAT this Assembly:

(a) recognize the importance of the energy sector to the Canadian economy and support its development in an environmentally sustainable way;

(b) agree that pipelines are the safest way to transport oil;

(c) acknowledge the desire of the majority of New Brunswickers for the Energy East pipeline to proceed as soon as possible; and

(d) ask the Prime Minister of Canada to publicly express his support for the project and guarantee he and his cabinet will approve the project if it receives approval from the National Energy Board.

**Motion 18 by Mr. Fitch**, seconded by Ms. Dubé to propose the following resolution on Thursday, April 14, 2016:

WHEREAS many New Brunswickers have to seek medical treatment outside of the province each year because specific services may not be available in New Brunswick;

WHEREAS the cost of travelling out-of-province to access the treatment is not covered by Medicare;

WHEREAS travel expenses for medical treatments pose hardship to many families;  
 WHEREAS there are charitable organizations, such as Hope Air, which provide travel support to those in need of medical treatment;

WHEREAS Members of the government previously sought to institute a new policy that would see travel points gained on government air travel, such as flights to Switzerland, become the property of the Crown;

BE IT THEREFORE RESOLVED that the Legislative Assembly urges the government of New Brunswick to collect all air travel points gained on government air travel and donate those points to organizations who can help New Brunswickers in financial need access out-of-province medical treatment.

**Motion 20 by Mr. Fitch**, seconded by Mr. Holder to propose the following resolution on Thursday, May 26, 2016:

WHEREAS improving access to post-secondary education is good for individual students, for the economy and creating jobs, and for the overall betterment of our society;

WHEREAS the surprise announcement of a new funding program for post-secondary institutions has left New Brunswickers bewildered and confused, with many unanswered questions;

WHEREAS the potential negative impact of the proposed changes are enormous, especially clawing back important financial support programs that were benefiting thousands of students, graduates and their families;

WHEREAS the timing of the proposed changes, coming a few months before the start of the next school year, will leave many students and families scrambling to reassess their post-secondary dreams;

WHEREAS the Gallant Government has made the ability to attend private and extra-provincial institutions virtually impossible for low-income students - not only cutting off their freedom to choose but also the ability to enrol in study programs not offered in New Brunswick public institutions;

WHEREAS none of the proposed changes are the result of widespread consultation with the public, professors, students, or their families, nor has any evidence been produced to prove that the benefits will outweigh the heavy costs of eliminating existing programming and limiting access to a small number of schools;

WHEREAS the chaotic changes proposed by the government fail to address other outstanding issues such as teaching quality, matching training to the workforce, infrastructure deficits, financial accessibility for the middle class, or student retention;

BE IT THEREFORE RESOLVED that this Assembly urges the Gallant Government to post-pone the proposed student financial program changes for one year;

BE IT FURTHER RESOLVED that the government give strong consideration to including private entities, such as Crandall University and Oulton's College, on the list of eligible institutions;

BE IT FURTHER RESOLVED that the government give strong consideration to creating a sliding scale for student eligibility instead of a hard cut-off point where the applicant receives all benefits or none.

**Motion 21 by Mr. Steeves**, seconded by Mr. Oliver to propose the following resolution on Thursday, May 26, 2016:

WHEREAS there are limited opportunities for interaction among those adults with Autism Spectrum Disorder (ASD), and in particular for the severely autistic;

WHEREAS adults with disabilities may have access to “at home” care but only depending on the family income levels and the health and longevity of the parents;

WHEREAS most often care services come from agencies who hire workers at a minimal wage, often without a significant level of training;

WHEREAS formal intensive interventions such as Applied Behavioural Analysis are only available to children 5 years of age and under, and are available in a less intensive manner to school aged children (to a maximum age of 21);

WHEREAS access to public services, even if it were for five hours a day during the week, would be welcomed by those families who have no limited access to options in their own home;

BE IT THEREFORE RESOLVED that this Assembly urges the government to consider opening up the current Centres for Autism to be used as a service delivery point, depending on their capacity, to provide programming for adults with Autism Spectrum Disorder issues.

**Motion 25 by Mr. Fairgrieve**, seconded by Mr. Urquhart to propose the following resolution on Thursday, July 7, 2016:

WHEREAS the current Finance Minister said that raising the HST was “the lazy way out”;

WHEREAS raising the HST will bring New Brunswick to the highest HST rate in Canada;

WHEREAS the Premier campaigned on helping small and medium sized businesses;

WHEREAS raising the HST will have a negative impact on small and medium sized businesses;

WHEREAS raising the HST will send a message that New Brunswick is closed for business;

WHEREAS raising the HST will have a negative impact on the economy;

WHEREAS the economy in New Brunswick is already struggling and many New Brunswickers are unemployed;

WHEREAS the Liberal government has already lost almost 5,000 jobs;

WHEREAS New Brunswickers are already over-taxed and many families are struggling to make ends meet;

WHEREAS nowhere in the Liberal platform is there a mention of raising the HST;

WHEREAS this is just bad business;

BE IT THEREFORE RESOLVED that this Assembly urges the government to postpone the scheduled HST hike until the government holds public consultation with the people in the constituency of Carleton.
