Mr. Speaker,

Your Standing Committee on Law Amendments begs leave to submit their First Report of the session.

On October 25, 2017, Bill 4, *An Act to Amend the Industrial Relations Act*, was introduced in the Legislative Assembly. The purpose of the proposed legislation is to introduce amendments to the Act to include first contract arbitration as an accessible remedy for workers and employers when bargaining has reached an impasse. First contract arbitration is an alternative to the disruption associated with work stoppages and is intended to assist the parties with the settlement of a first collective agreement.

On November 7, 2017, consideration of the subject matter of Bill 4 was referred by resolution of the House to the Standing Committee on Law Amendments.

On November 14, 2017, your Committee met and determined that certain organizations should be invited to provide input to the Committee with respect to the issues raised by Bill 4. On November 21, 2017, your Committee met with representatives from the Department of Post-Secondary Education, Training and Labour; CUPE NB; Unifor; the New Brunswick Federation of Labour; the New Brunswick Nurses' Union and the Canadian Federation of Independent Business. In addition, Restaurants Canada; the Retail Council of Canada; the Atlantic Provinces Trucking Association; J.D. Irving, Limited; the Saint John Construction Association Inc.; the Electrical Contractors Association of New Brunswick and the Fredericton Chamber of Commerce submitted written briefs.

The Committee met again on November 28, 2017, to consider the input received and to formulate a recommendation to the House.

The full report of the Committee as presented follows:

Mr. Speaker:

Your Standing Committee on Procedure, Privileges and Legislative Officers begs leave to submit this, their First Report of the session.

On March 16, 2017, the Legislative Assembly of New Brunswick adopted the following resolution:

WHEREAS all Members of the Legislative Assembly are elected representatives of the people of New Brunswick;

WHEREAS it is important that the role and responsibilities of MLAs be well understood by the public;

WHEREAS it would be helpful for Members of the Legislative Assembly to have guidelines to aid them in the conduct of their duties;

WHEREAS the effectiveness of MLAs, and their accountability to the people of New Brunswick, may be improved if the Legislative Assembly establishes a formal statement of the key roles and responsibilities of MLAs;

WHEREAS the Legislative Administration Committee recommended the adoption of a Statement on the Roles and Responsibilities of an MLA and a Code of Conduct for MLAs in its report to the Legislative Assembly tabled April 3, 2003;

BE IT THEREFORE RESOLVED THAT the Standing Committee on Procedure, Privileges and Legislative Officers take into consideration the adoption of a Statement on the Roles and Responsibilities of an MLA and a Code of Conduct for MLAs.

The above resolution is the order of reference and forms the basis of the Committee's First Report. On December 5, 2017, your Committee met to consider the adoption of a statement on the roles and responsibilities of Members and a code of conduct for Members. Specifically, your Committee considered the statement and code recommended in the Legislative Administration Committee report referenced in the resolution.

Your Committee is in agreement that the adoption of a statement on the roles and responsibilities of Members and a code of conduct for Members is a positive initiative. The purposes of the statement and code will be to guide Members on the standards of conduct expected of them in the discharge of their parliamentary and public duties and to provide New Brunswickers with a standard against which they can assess the performance of their elected representatives. A statement and code will serve as a constant reminder of what the public trust requires in terms of Members' obligations to colleagues, to constituents, and to all New Brunswickers.

The statement and code will be enforceable by the Assembly using the traditional methods within existing parliamentary practice. Enforcement by the Assembly under its existing powers represents a practical and reasonable mechanism for dealing with any alleged infringements.

The statement and code will have a visible public profile, through its publication as an appendix to the Standing Rules and its posting on the Legislative Assembly's website. It will also be provided to Members during their orientation.

RECOMMENDATIONS

Your Committee therefore recommends the adoption of the following:

1. That the Standing Rules of the Legislative Assembly be amended by adding after Standing Rule 123 the following:

**PART XIV
STATEMENT ON ROLES AND RESPONSIBILITIES
AND
CODE OF CONDUCT**

124(1) The Legislative Assembly shall, on the recommendation of the Standing Committee on Procedure, Privileges and Legislative Officers, establish a Statement on Roles and Responsibilities and Code of Conduct for Members, hereinafter referred to as the “Code”.

124(2) The Code shall be printed as an appendix to the Standing Rules of the Legislative Assembly and in the Legislative Assembly of New Brunswick Members’ Orientation Manual.

General Principles of Personal Conduct**7. Selflessness**

13. Members shall at all times conduct themselves in a manner which will tend to maintain and strengthen the public's trust and confidence in the integrity of the Legislature and never undertake any action which would bring the Legislative Assembly or its Members generally into disrepute.
14. The provisions of this Code shall be taken into account by the Legislative Assembly in any proceeding relating to the conduct of an MLA.
15. This Code of conduct is not designed to be exhaustive and there will be occasions when Members will find it necessary to adopt more stringent norms of conduct in order to protect the public interest and to enhance public confidence and trust.
