OPPOSITION MEMBERS' BUSINESS

OPPOSITION MEMBERS' PUBLIC BILLS FOR SECOND READING

Bill 10, An Act to Amend the Assessment Act – Mr. Coon

OPPOSITION MEMBERS' MOTIONS

Debatable Motions

Motion 1 by Mr. Wetmore, seconded by Mr. Northrup to propose the following resolution on Thursday, November 2, 2017:

WHEREAS there is considerable public concern regarding glyphosate spraying in New Brunswick;

WHEREAS there is conflicting public and scientific information as to the use of glyphosate in our forestry sector;

BE IT THEREFORE RESOLVED THAT the Legislative Assembly urge the government to immediately form a working group on glyphosate, comprised of the Departments of Health, Public Safety, Environment, and Energy and Resource Development with stakeholders from outside of government, that would provide a report to the Legislative Assembly with recommendations for government, within nine months;

BE IT FURTHER RESOLVED THAT the Legislative Assembly urge the government to suspend the spraying of glyphosate on New Brunswick Crown lands until such time as the working group has tabled their report and recommendations have been submitted to the Clerk of the Legislative Assembly of New Brunswick.

Motion 2 by Mr. K. MacDonald, seconded by Ms. Shephard to propose the following resolution on Thursday, November 2, 2017:

WHEREAS neighbouring jurisdictions like Nova Scotia have explored policies to aid in limiting young adults' alcohol consumption, which sometimes takes the form of a drinking game;

WHEREAS the tragic and senseless death of Brady Grattan due to alcohol misuse should not be in vain and this experience should be passed along to others with a hope to create preventative measures against alcohol-related harms through increased awareness;

WHEREAS some universities have already taken partial steps to curtail the improper consumption of alcohol on their campuses and among their student bodies;

WHEREAS every person should be aware of the dangers of alcohol consumption through binge drinking, drinking games and other misuses of alcohol;

BE IT THEREFORE RESOLVED THAT this Assembly urges the current government to put a high school program in place where students are informed of the dangers of excess consumption of alcohol and students are also informed of alcohol safety and precautionary measures;

BE IT FURTHER RESOLVED THAT this Assembly urges the current government to send each high school graduate a bulletin containing alcohol consumption safety information prior to the time they leave the public school system to promote public awareness and prevent heartbreaking and unnecessary deaths or harms related to alcohol.

Motion 3 by Mr. Northrup, seconded by Mr. Jeff Carr to propose the following resolution on Thursday, November 2, 2017:

WHEREAS the tourism sector in New Brunswick is an important part of our fabric;

WHEREAS hundreds of thousands of tourists visit our province each year;

WHEREAS camping enthusiasts make up a significant portion of the tourists each year;

WHEREAS some of those camping enthusiasts like to travel with multiple vehicles and trailers in order to have the vastest experience to explore all the beautiful parts of our province;

WHEREAS other provinces in Canada allow for the towing combination of more than two vehicles on their highways and roads;

WHEREAS New Brunswick does not currently allow a combination of more than two vehicles, which creates a barrier to interprovincial travel;

BE IT THEREFORE RESOLVED THAT this Assembly urges the government to change acts and regulations to allow combinations of two or more vehicles, for recreational purposes, on main highways; and

BE IT FURTHER RESOLVED THAT this Assembly urges the government to maintain a length limit as well as other safety precautions, to account for the safety of all those travelling on the roads.

Motion 4 by Mr. Urquhart, seconded by Mr. Oliver to propose the following resolution on Thursday, November 2, 2017:

WHEREAS the sport of curling has a long history in Canada, introduced in the early 1800s by Scottish immigrants with now more than 1000 curling clubs across Canada, and an official Olympic sport;

WHEREAS curling has physical health benefits, including cardiovascular activity, improved balance and eye-hand coordination;

WHEREAS curling is an inclusive sport, open to men and women of all ages and abilities, it is adaptable to those with physical disabilities with aids such as delivery sticks and chairs;

WHEREAS curling is a social sport, designed to get families out of their homes in the cold of winter for physical and social activity;

WHEREAS curling clubs in New Brunswick are run by not-for-profit groups in all regions of the province, promoting community involvement and participation;

BE IT THEREFORE RESOLVED that the Legislative Assembly urges the government to declare the third week of January every year as “New Brunswick Curling Week”;

BE IT FURTHER RESOLVED that all members of this Legislative Assembly visit the curling clubs in their area during that week, and the rest of winter to promote and encourage the local curling clubs.

Motion 5 by Mr. Wetmore, seconded by Mr. Oliver to propose the following resolution on Thursday, November 2, 2017:

WHEREAS the New Brunswick Association of Optometrists has stated that research shows eighty percent of a child’s learning is visual;

WHEREAS the New Brunswick Association of Optometrists has also stated that studies show only fourteen percent of Canadian children entering the primary school system receive professional eye care;

WHEREAS the Canadian Association of Optometrists state that studies show the earlier a vision problem is diagnosed and treated, the less negative impact it will have on a child’s development;

WHEREAS the Canadian Association of Optometrists also state that an important component of early detection and treatment of eye and vision problems is for all children to receive a professional vision examination before entering school;

WHEREAS the province of New Brunswick’s program, “Healthy Smiles, Clear Vision” already offers a vision program to children of low income families;

BE IT THEREFORE RESOLVED THAT this Assembly urges the current government to offer free professional eye exams for all children before they become of school age, and that it become mandatory to be tested before entering elementary school.

Motion 6 by Mr. Jeff Carr, seconded by Mr. K. MacDonald to propose the following resolution on Thursday, November 2, 2017:

WHEREAS school bus cameras are widely used throughout Canada, and more particularly, in our neighbouring provinces of Prince Edward Island and Nova Scotia;

WHEREAS careless drivers put students’ safety at risk by failing to stop for school buses;

WHEREAS video footage would help law enforcement apprehend drivers who do not stop for school buses by recording license plate numbers and providing evidence of the infraction;

WHEREAS the safety of our children, when being transported to and from school by bus drivers who do tremendous work and provide excellent service, is of utmost importance to all New Brunswick parents;

BE IT THEREFORE RESOLVED THAT this Assembly urges the current government to put a school bus camera program in place, where cameras are placed on the outside of buses for the purposes of capturing license plate images and evidence to report to law enforcement officials;

BE IT FURTHER RESOLVED THAT this Assembly urges the current government to allow registered owners of vehicles to be charged for failing to stop for a school bus if they are not willing to give law enforcement officials the name of the driver who failed to stop.
