WHEREAS New Brunswick is a province rich with natural resources and a skilled workforce, and

WHEREAS there are thousands of New Brunswickers who have had no choice but to relocate to other provinces to secure employment in their area of expertise, and

WHEREAS the province depends to great extent on equalization from the federal government;

BE IT THEREFORE RESOLVED that the Legislative Assembly call on the government of New Brunswick to take the appropriate steps to allow New Brunswick to become self sufficient by 2026.

---

Mr. Volpé gave Notice of Motion 2 that on Thursday, February 15, 2007, he would move the following resolution, seconded by Mr. Holder:

WHEREAS the province of New Brunswick has enjoyed a continuous trend of lowering taxes since June 1999; and

WHEREAS this decreased tax burden on the people of New Brunswick has prompted the recovery and growth of the economy, greater prosperity, job creation, improved credit ratings and the lowering of the Provincial Debt; and

WHEREAS the people of New Brunswick should not be expected to pay unfair levels of taxes to compensate for irresponsible, frivolous and poorly managed campaign promises; therefore

BE IT RESOLVED that this Legislative Assembly calls upon the government to respect the proven success of tax cutting measures within New Brunswick's economy, and continue creating wealth that has come as a by-product of tax reduction; and therefore

BE IT FURTHER RESOLVED that this Legislative Assembly calls upon the government to make a commitment to the people of New Brunswick to uphold the balanced budget legislation while exercising fiscal responsibility and continue to lessen the financial burden on the people of this province by taxing only what is absolutely necessary to operate the government in a fair and reasonable manner to deliver the programs and services that the people of New Brunswick expect and rely on.

WHEREAS the Legislative Assembly of New Brunswick unanimously passed the Estimates of the Department of Finance for the fiscal year of 2006/2007 including the estimates allocated for the necessary \$45 million for a full rebate of the provincial portion of the Harmonized Sales Tax paid on home heating costs; and

WHEREAS during the provincial election of 2006, the Liberal Leader promised to return the 8% Harmonized Sales Tax to the tax payers of New Brunswick; and

WHEREAS the same Liberal Leader and current premier has now reneged on his election promise and created an atmosphere of distrust and marred the good name of all accountable and responsible members of this Legislature; and

WHEREAS the current Government's new energy relief program only helps a small fraction of New Brunswickers at a cost of less than \$10 million dollars; and

WHEREAS the remaining \$35 million dollars of the budget for the Department of Finance is now being used to fund other poorly planned promises of the Liberal Party; and

WHEREAS the current government has shown little concern for those families and individuals who had budgeted on this rebate to help them through the cold winter months; therefore

BE IT RESOLVED that this Legislative Assembly call upon the government to be truthful with New Brunswickers and further call upon the government to reinstate the HST Rebate Program and return the tax dollars to their rightful recipients, the tax payers of New Brunswick.
