OPPOSITION MEMBERS' MOTIONS

Debatable Motions

Motion 62 by Mr. Volpé, seconded by Mr. Ashfield to propose the following resolution on Thursday, April 17, 2008:

WHEREAS the forestry industry in New Brunswick is in a state of crisis; and

WHEREAS the importance and value of the forestry industry is of the utmost significance to the well being of the province's economic stability; and

WHEREAS thirty three of New Brunswick's sixty one mills have closed their doors during the last several months; and

WHEREAS the future of New Brunswick's forestry industry including silviculture, is in jeopardy, leaving thousands of New Brunswickers without employment and thousands more adversely affected by the economic downturn that will result; and

WHEREAS the government has helped organize and has actively participated in industry summits for agriculture and the fisheries;

BE IT THEREFORE RESOLVED that this Legislative Assembly calls upon the Government to immediately join with all parties interested in the future of New Brunswick's forests to organize a Forestry Summit in order to bring together all levels of government and all forestry stakeholders; and

BE IT FURTHER RESOLVED that the purpose of this Forestry Summit be to provide a forum for an open dialogue on the future of forestry in New Brunswick and how to get the best return for all New Brunswickers in terms of the economic, environmental, social and tourism factors; to engage the public in an open discussion, to examine potential solutions to the key challenges affecting New Brunswick's forests, and to ensure the survival and viability of this critically important component of New Brunswick's economy and the New Brunswick way of life.

Motion 63 by Mr. C. LeBlanc, seconded by Mr. Fitch to propose the following resolution on Thursday, April 17, 2008:

WHEREAS the revenue generated by property taxes in New Brunswick is determined by two variables, to wit, property tax rates and property assessments;

WHEREAS significant increases in property values generally increase tax revenues considerably, for both the provincial government and municipalities;

WHEREAS the New Brunswick government and the municipalities are never held accountable for additional revenues that may be generated by increased property assessments;

WHEREAS no one should have to pay higher property taxes without getting an explanation to justify the increase;

WHEREAS the New Brunswick government has a duty to be fair and transparent with regard to taxation;

BE IT THEREFORE RESOLVED that the Legislative Assembly ask the government to pass legislation to establish a system designed to lower property tax rates to reflect the increase in property values for assessment purposes;

AND BE IT FURTHER RESOLVED that the Legislative Assembly ask the government to establish a structure to promote transparency, so that anyone can find out how property tax revenues are spent.

Motion 66 by Mr. Williams, seconded by Mr. Northrup to propose the following resolution on Thursday, April 24, 2008:

WHEREAS with the recent increase in the price for uranium, extensive areas in New Brunswick have been staked in preparation for the mining of uranium;

WHEREAS the health risks resulting from mining operations, radioactive tailings, heavy metals, chemicals and methods used to mine uranium are very substantial;

WHEREAS there is a strong risk of air and water supplies being contaminated with uranium, radon, chemicals, and other contaminants;

THEREFORE BE IT RESOLVED that this Legislative Assembly calls upon the Government for an immediate moratorium on uranium exploration in New Brunswick and that the moratorium remain in force until appropriate and acceptable public hearings have been held, which demonstrate a worthwhile financial benefit to the Province, and that there is no health risk to New Brunswickers.
