Debatable Motions

Motion 21 by Ms. Dubé, seconded by Mr. Alward to propose the following resolution on Thursday, December 11, 2008:

WHEREAS businesses in New Brunswick are being faced with growing financial pressures in the current economic crisis; and

WHEREAS it is incumbent on government to find ways to ensure that New Brunswick's businesses are in a position to succeed; and

WHEREAS the current process for businesses to remit their property taxes is in a one-time lump sum payment; and

WHEREAS in many cases this has a significant impact on cash flow;

THEREFORE BE IT RESOLVED that this Legislative Assembly call upon government to allow for businesses in New Brunswick to remit their property tax payments on an equalized monthly basis.

[Debate interrupted due to expiration of time.]

Motion 26 by Mr. MacDonald, seconded by Mr. Northrup to propose the following resolution on Thursday, December 18, 2008:

WHEREAS New Brunswick's forest industry is undergoing unprecedented changes and hardships; and

WHEREAS these hardships are being felt by thousands of New Brunswickers including the 40,000 woodlot-owning families; and

WHEREAS the seven regional woodlot marketing boards and the Federation of Woodlot Owners are also being negatively impacted by the economic crisis facing the industry; and

WHEREAS these eight organizations provide considerable support and services to the industry, including silviculture, certification, education and training, market development, forest management, administration of government programs, non-timber forest products, woodlot owner rights, and day-to-day inquiries; and

WHEREAS in 2007, the Self-Sufficiency Task Force recommended that the Government should "*support private woodlot marketing boards in strengthening their role with respect to silviculture, certification, education and market development,*" and that said recommendation should be acted upon within one year; and

WHEREAS in January 2008, the Government of Canada provided the Government of New Brunswick with \$30 million through the Community Development Trust; and

WHEREAS the province and the forestry industry would benefit from having strong private woodlot marketing boards and a strong federation; therefore

BE IT RESOLVED that this Legislative Assembly call upon the government to provide a one cent per acre tax sharing on the private woodlot land base to the Federation of Woodlot Owners and another one cent per acre tax sharing on the private woodlot land base to the regional marketing boards as a source of sustainable funding;
