Debatable Motions

Motion 26 by Mr. MacDonald, seconded by Mr. Northrup to propose the following resolution on Thursday, December 18, 2008:

WHEREAS New Brunswick's forest industry is undergoing unprecedented changes and hardships; and

WHEREAS these hardships are being felt by thousands of New Brunswickers including the 40,000 woodlot-owning families; and

WHEREAS the seven regional woodlot marketing boards and the Federation of Woodlot Owners are also being negatively impacted by the economic crisis facing the industry; and

WHEREAS these eight organizations provide considerable support and services to the industry, including silviculture, certification, education and training, market development, forest management, administration of government programs, non-timber forest products, woodlot owner rights, and day-to-day inquiries; and

WHEREAS in 2007, the Self-Sufficiency Task Force recommended that the Government should "support private woodlot marketing boards in strengthening their role with respect to silviculture, certification, education and market development," and that said recommendation should be acted upon within one year; and

WHEREAS in January 2008, the Government of Canada provided the Government of New Brunswick with \$30 million through the Community Development Trust; and

WHEREAS the province and the forestry industry would benefit from having strong private woodlot marketing boards and a strong federation; therefore

BE IT RESOLVED that this Legislative Assembly urge the government to consider the advisability of providing a one per cent per acre tax sharing on the private woodlot land base to the Federation of Woodlot Owners and another one cent per acre tax sharing on the private woodlot land base to the regional marketing boards as a source of sustainable funding; and, that said tax sharing, if implemented, remain in place for a period of three years.

[Debate interrupted due to expiration of time.]
