Debatable Motions

Motion 6 by Mr. Alward, seconded by Mr. Robichaud to propose the following resolution on Thursday, November 26th, 2009:

WHEREAS the proposed sale of NB Power to Hydro Quebec has been met with a great deal of skepticism and public opposition; and

WHEREAS there are many questions surrounding the Memorandum of Understanding that have not been answered by this government including the valuation of assets and the long term implications on rates that this deal may have on the people of New Brunswick; and

WHEREAS the Liberal Party of New Brunswick and the current Government of New Brunswick ran on an election platform in both 2003 and 2006 provincial general elections to not sell NB Power; and

WHEREAS the current Liberal government has not sought a mandate from the principle shareholders of NB Power to sell its assets;

BE IT RESOLVED that this Legislative Assembly recommend that all current business dealings with respect to the sale of NB Power to the Province of Quebec and Hydro-Quebec be immediately suspended until such time as a general election is held or a referendum is convened whereby the people of New Brunswick may decide in an open, transparent and democratic forum as to their wishes for this publicly owned and operated utility.
