WHEREAS the province has indicated through the current 2010-2011 budget that the projected date in which the province will return to a balanced budget has been pushed back until the 2014-2015 fiscal year; and

WHEREAS the current budget projects that revenue for the province will increase by 10.7% from the current fiscal year until the 2014-2015 fiscal year; and

WHEREAS private woodlot owners are an important component of what our forests contribute to our province and these owners want to be a part of planning for the future; and

WHEREAS the manner in which our forests are managed can have a significant impact on our environment both positively and negatively with respect to clean water, erosion, fire and wildlife; and

WHEREAS keeping the integrity and biodiversity of our forests is of primary importance; therefore

BE IT RESOLVED that this Legislative Assembly urge the Government to join with industry to organize a Forestry Summit in order to bring together all levels of government and all forestry stakeholders to discuss the challenges that the forestry industry is facing today; and

BE IT FURTHER RESOLVED that the purpose of this Forestry Summit be to provide a forum for an open discussion on the future of forestry in New Brunswick, to examine potential long-term solutions to the challenges affecting the industry, and to ensure the survival and viability of this critically important component of New Brunswick's economy.
