## OPPOSITION MEMBERS' MOTIONS

### *Debatable Motions*

**Motion 40 by Mr. Alward**, seconded by Mr. Robichaud to propose the following resolution on Thursday, February 18, 2010:

WHEREAS the proposed sale of many of NB Power's assets to Hydro Quebec as outlined in the Revised Memorandum of Understanding has been met with a great deal of uncertainty and massive public opposition; and

WHEREAS there are many questions surrounding the revised Memorandum of Understanding that have not been answered by this government including the valuation of assets and the long term implications on power rates and power bills that this deal may have on the people of New Brunswick; and

WHEREAS during the last several weeks there has been a tremendous increase in support for an election or referendum pertaining to this issue; and

WHEREAS the current government does not have a mandate as per their 2006 election platform to enter into a deal with either a public or private entity to sell any of the assets of NB Power; therefore

BE IT RESOLVED that this Legislative Assembly urge the government to cease all current business dealings with respect to the sale of any of the assets of NB Power to Hydro-Quebec and that negotiations be immediately suspended until such time as a referendum is convened whereby the people of New Brunswick may decide in a democratic forum as to their wishes for the future of this utility that is owned by the people of New Brunswick.

**Motion 41 by Mr. Jack Carr**, seconded by Mr. Alward to propose the following resolution on Thursday, February 18, 2010:

WHEREAS 125,000 or 1/6th of New Brunswickers are directly involved in sport as athletes and participants, coaches, and officials and this does not even include the number involved in recreation and leisure activities; and

WHEREAS New Brunswick is ranked 10<sup>th</sup> out of 13 provinces and territories in the Heart and Stroke Foundations Annual Health Report Card and continues to be the most obese jurisdiction in Canada per capita; and

WHEREAS New Brunswick is not sending an Olympian to the Winter Games for the first time in its 86 years existence; and

WHEREAS New Brunswick is the only province or territory not to contribute to the Olympic Partnership Program which could have highlighted New Brunswick throughout the world and thus demonstrating a lack of interest in promoting New Brunswick and amateur sports; and

WHEREAS the Premier, who has a Physical Education degree, is a former Canada Games athlete, and is a former Minister of Wellness, Culture and Sport and therefore of all people should be the greatest supporter of sport, recreation and active living; and

WHEREAS there is a report within the provincial government entitled "*A Sport Plan for New Brunswick ... One Day*" which calls upon core funding to be raised to \$6 million per year by 2011; and

WHEREAS core funding has been cut in previous years, including \$154,000 in the upcoming budget year; and

WHEREAS according to the Canadian Fitness Lifestyle Research Institute, every dollar invested in sport and recreation saves \$16.00 in long term health care, not to mention the other money saved in Social Development, Education, Justice, and other departments; and

WHEREAS in the province of Saskatchewan, a province that is very similar in demographics of urban and rural dynamics, receives nearly six times more provincial funding than that of our own sports organizations; therefore

BE IT RESOLVED that the New Brunswick Legislative Assembly urge the government to immediately develop a detailed plan involving all stakeholders to increase funding for sport, recreation and active living so that in subsequent budgets proper funding can be made available to ensure that the province regains its position on the world stage for sport and to increase recreation and active living for present and future generations of New Brunswickers.

**Motion 29 by Mr. Fitch**, seconded by Mr. Alward to propose the following resolution on Thursday, January 21, 2010:

WHEREAS the province has indicated through the current 2010-2011 budget that the projected date in which the province will return to a balanced budget has been pushed back until the 2014-2015 fiscal year; and

WHEREAS the current budget projects that revenue for the province will increase by 10.7% from the current fiscal year until the 2014-2015 fiscal year; and

WHEREAS expenditures are slated to increase by only 1% over the same period;

BE IT RESOLVED that this Legislative Assembly urge the government to provide to this House detailed financial forecasts and analysis from the Department of Finance or any outside source that supports the projections and ability of government to keep spending far below historic levels of inflation from the current year until the projected 2015 return to a balanced budget.
