Debatable Motions

Motion 2 by Mr. Bernard LeBlanc, seconded by Mr. Kenny to propose the following resolution on Thursday, December 1, 2011:

WHEREAS the Alward government proposed changes to the Prescription Drug Program that doubled the co-pay amount payable by seniors from \$250 to \$500;

WHEREAS seniors feel this increase breaks the Premier's campaign promise to "provide a better deal for seniors";

WHEREAS this sudden increase creates considerable financial hardship for low-income seniors;

WHEREAS the extra cost may prevent seniors from getting the medications they need;

WHEREAS the loss of medications could be harmful to the fragile health of seniors;

WHEREAS the New Brunswick Pharmacists' Association, the Canadian Life and Health Insurance Association, and others have suggested ways to find additional savings within the Prescription Drug Program, which would avoid the need for drastic fee increases;

BE IT THEREFORE RESOLVED that the Legislative Assembly of New Brunswick urge the government to reverse the sudden fee increase, keep the Premier's campaign promise to "provide a better deal for seniors", and explore alternate savings through the Prescription Drug Program.

Motion 6 by Mr. Bernard LeBlanc, seconded by Mr. Boudreau to propose the following resolution on Thursday, December 1, 2011:

WHEREAS the previous Liberal government undertook an unprecedented public engagement in 2009 with the business sector, the non-profit sector, and citizens living in poverty, which resulted in a bipartisan poverty reduction plan;

WHEREAS the Premier, then the Leader of the Opposition, participated fully in the engagement process and the announcement of the poverty reduction plan;

WHEREAS the Premier, then the Leader of the Opposition, stated that he was “proud” to have participated in the process and committed his party to implementing the recommendations of the poverty reduction task force;

WHEREAS the Premier, then the Leader of the Opposition, stated in an opinion column published in various provincial newspapers in November 2009 that we have to do more;

WHEREAS, since forming the government, the Alward Conservatives have ignored or postponed several important deadlines for the implementation of poverty reduction initiatives;

WHEREAS there is considerable disparity between what Premier Alward said while he was in the opposition and what he has done since forming the government;

BE IT THEREFORE RESOLVED that the Legislature urge the government to honour the commitments made by the Premier when, as Leader of the Opposition, he expressed his support for the poverty reduction plan.

[Debate interrupted due to expiration of time.]

Motion 21 by Mr. Collins, seconded by Mr. Fraser to propose the following resolution on Thursday, December 15, 2011:

WHEREAS the parents and/or guardians of seriously ill children do not have any job security when they take time off to tend to their children;

WHEREAS parents and/or guardians can lose their jobs while tending to a seriously ill child;

WHEREAS this represents an inequity in the workforce;

WHEREAS there are currently two Private Members’ Bills before the House of Commons to address this issue;

BE IT THEREFORE RESOLVED that the Legislature urge the Government of New Brunswick to urge the federal government to support the passing of Bill C-323 and Bill C-542, to allow the parents of seriously ill children to take sick leave and maintain job security when taking time off to tend to a seriously ill child.

Motion 22 by Mr. Collins, seconded by Mr. Fraser to propose the following resolution on Thursday, December 15, 2011:

WHEREAS there is no children’s hospital in New Brunswick;

WHEREAS the serious illness of a child may therefore require parents and/or guardians to seek treatment out of province;

WHEREAS out of province travel, accommodations and other expenses often have to be paid out of pocket by parents and/or guardians;

WHEREAS there currently does not exist any policy, plan or fund to assist the parents and/or guardians of children with serious illness with these expenses;

WHEREAS this often creates financial hardship for the families of seriously ill children;

BE IT THEREFORE RESOLVED that the Legislature urge the Government of New Brunswick to implement and disburse a fund to provide financial assistance for out-of-province expense costs for the parents and/or guardians of seriously ill children who have to travel out of province for treatment.

Motion 29 by Mr. Melanson, seconded by Mr. Kenny to propose the following resolution on Thursday, April 5, 2012:

WHEREAS the Alward government is aiming for a balanced operational budget by 2014;

WHEREAS the Alward government is mostly focusing on the expenditure side of the provincial balance sheet to achieve this;

WHEREAS in addressing the provincial financial situation, a balanced approach is needed;

WHEREAS the province of New Brunswick has experienced negative job growth since the Alward government took office;

WHEREAS New Brunswickers understand that to reach this objective of a balanced budget by 2014, additional revenues are needed;

WHEREAS the Alward government has ruled out the installation of 3T MRIs, going so far as to refuse an offer of a \$1 million contribution by a hospital foundation;

BE IT THEREFORE RESOLVED that the Legislature urge the provincial government to heed the advice of medical professionals and purchase and install 3T MRIs at Moncton City Hospital and Saint John Regional Hospital.

WHEREAS many New Brunswickers depend on Acadian Coach Lines for transportation;

WHEREAS the federal government has refused to intervene in this strike, with New Brunswick's Conservative MPs, cabinet ministers and Senators remaining silent on the issue;

BE IT THEREFORE RESOLVED that the Legislature urge the provincial government to demand the federal government intervene in this labour dispute so that public inter-city transportation can resume in New Brunswick.

Motion 32 by Mr. Melanson, seconded by Mr. Collins to propose the following resolution on Thursday, April 5, 2012:

WHEREAS many factors contribute to economic growth;

WHEREAS a qualified workforce is critical to job creation and economic sustainability;

WHEREAS the business community has identified the lack of access to a qualified workforce as a significant roadblock to growth;

WHEREAS the Alward government has not addressed this issue through the creation of a fully integrated job creation plan that would include specific initiatives in response to this need;

BE IT THEREFORE RESOLVED that the Legislative Assembly of New Brunswick urge the provincial government to organize and facilitate a provincial employment summit before the end of May 2012, which would bring together stakeholders from the business community, the nonprofit sector, and postsecondary institutions, in order to understand the needs, identify the gaps, and propose a solution.
