Debatable Motions

Motion 1 by Mr. Kenny, seconded by Mr. Haché to propose the following resolution on Thursday, December 6, 2012:

WHEREAS the impending closure of the Xstrata Mine in Bathurst will result in the loss of hundreds of jobs, both directly and indirectly;

WHEREAS the northern economy has suffered numerous blows in recent years with the decline of various industries, and the Xstrata closure will only exacerbate this economic downturn;

WHEREAS the knowledge base, expertise and human resources in the region would provide an excellent training ground for those interested in learning mining skills;

WHEREAS mining companies around the world are looking for thousands of workers skilled in mining trades;

WHEREAS a mining trades program and a mining centre of excellence, and resulting research opportunities, would provide important economic opportunities for northern New Brunswick;

WHEREAS the training facility and centre of excellence would help both northern New Brunswick and mining all across Canada;

BE IT THEREFORE RESOLVED that the Legislature urge the provincial government to engage the mining industry and the federal government in a partnership to establish a Mining Centre of Excellence and training centre in Bathurst following the mine's shutdown.

Motion 2 by Mr. Collins, seconded by Mr. Doucet to propose the following resolution on Thursday, December 6, 2012:

WHEREAS the Point Lepreau refurbishment project is three years behind schedule and \$1 billion over budget;

WHEREAS the refurbishment contract was signed by the former Progressive Conservative government of Bernard Lord in 2006, with insufficient protection for such excessive cost overruns by the federal Crown Corporation AECL;

WHEREAS the Minister of Energy has stated in this House that his government will accept nothing less than full compensation from the government of Canada for cost overruns at Point Lepreau;

WHEREAS the Opposition supports the intention of the Minister of Energy to obtain full compensation;

BE IT THEREFORE RESOLVED that the Legislative Assembly call on the government of New Brunswick to define full compensation and explain to the people of New Brunswick how the Minister of Energy will obtain full compensation from the federal government for the full value of the cost overruns at Point Lepreau.
